The EverPanel modular wall system is an elegant solution for a rapidly deployable partitioning system ideal for creating instant offices, rooms or display walls in a snap.

Material
Moisture and impact resistant Fiberglass Reinforced Panels (FRP) are bonded to a fire retardant ABS skeleton which incorporates additives as a fire retardant, for smoke reduction, UV Protection and to add additional durability.

Acoustic Sound & Thermal
(R-Value)
EverPanel has been tested for both insulated and non-insulated panel walls. Test include ASTM EE90-09 Sound Test and ASTM E90-09 Sound Test with Foam Insulation. R-Value for EverPanel panels is estimated at R-2 based on 3 inches of air space and two exterior FRP walls. *Note: This is for individual panels and complete wall values may vary based on pattern and arrangement of panels in a space.*
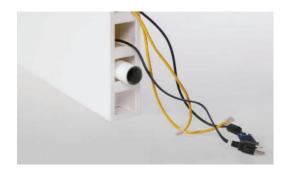

Colors
EverPanel is currently available in white frame with white FRP panels.

Fire Rating
E84 - Pass - Class C

Warranty
Standard 2-year warranty against manufacturer's defects.

Cable Channel Friendly
EverPanel incorporates square holes around its entire perimeter, allowing cables and plumbing pipes to be run as needed through and between panel sections. The opening size of each square is 1.86" x 1.86", allowing pipes or cabling up to 1.75" to easily be run through panels. Multiple openings may be used for multiple wire, cable, and pipe combinations.

EverPanels Include:

EverPanel 4' x 4'

EverPanel 3' x 4'

EverPanel 3' x 3'

EverPanel 2' x 4'
