SCHOOL DIVIDER WALLS AND CLASSROOM PARTITIONS

EVERBLOCK BUILDING BLOCKS FOR CLASSROOMS

EverBlock®'s life size modular building block system is a hands-on fun and educational way to brighten up any classroom. Jumbo building blocks allow teachers to instantly change the layout of their classroom by building classroom walls, dividers and desk partitions.

CLASSROOM DIVIDERS WALLS

Divide classrooms, build separate reading nooks, bookshelves, fun and colorful desks, computer stations and nap area delineators in any school or day care facility.

EASY TO CLEAN, SAFE & SANITARY

All **EverBlock** building blocks are safe for children and simple to clean and sanitize.

EverBlock is available in 16 vibrant color options and come in 5 building block sizes, with two finishing cap sizes. Shelving desktops, Classroom Sets and Playground Sets are also available.

BUILD COLORFUL CLASSROOM FURNITURE THAT INSPIRES CREATIVITY

**Custom colors available with minimum orders.*

EDUCATION & LEARNING

SCHOOL DIVIDER WALL PANELS, DESK PARTITIONS & ADMIN OFFICES

EVERPANEL MODULAR WALL PANELS

EverPanel® is a flexible instant wall system, allowing you to build all types of floor plans. From classroom dividers to cafeteria walls, and from short portable desk partitions to administrative offices.

CLASSROOM PARTITIONS

Rapidly divide classrooms, build self standing desk dividers and instantly change the flow and layout of your classroom in minutes.

SANITARY & SIMPLE TO CLEAN

All **EverPanel** modular wall panels are safe for children and simple to clean and sanitize.

EverPanel is available in 18 useful panel sizes, and comes in 4 non-distracting color options; White, Light Blue, Grey and Orange. Clear polycarbonate sheets are also available to create clear-topper dividers on any wall.

ADMINISTRATIVE OFFICE DIVIDERS
