

MODULAR WALL SYSTEMS

SCHOOLS & CLASSROOMS

EVERBLOCK BUILDING BLOCKS FOR CLASSROOMS

EverBlock®'s life-size modular building block system allows schools and classrooms unlimited building solutions. Jumbo building blocks offer schools and teachers the creative flexibility to instantly change the layout of their classroom by building classroom walls, social distancing dividers and desk partitions using colorful and reusable modular building blocks.

CLASSROOM DIVIDER WALLS

Divide classrooms, build separate reading nooks and study spaces, computer station partitions and nap area delineators in any school or daycare facility.

BUILD ADMINISTRATIVE OFFICES & CONVERT GYMNASIUMS

EASY TO CLEAN, SAFE & SANITARY

Build separate infirmary spaces in gymnasiums, auditoriums and nursing stations. All EverBlock building blocks are safe for children and simple to clean and sanitize.

EverBlock is available in 16 vibrant color options and come in 5 building block sizes, with two finishing cap sizes. Shelving, desktops, Classroom Sets and Playground Sets are also available.

Contact us for a no-cost design consultation using our 3D Virtual Builder.

MODULAR WALL SYSTEMS

SCHOOLS & CLASSROOMS

INTERLOCKING MODULAR WALL PANELS

EverPanel® is a flexible instant wall system, allowing you to build all types of floor plans. From classroom dividers to cafeteria walls, and from short portable desk partitions to administrative offices.

Rapidly transform gymnasium spaces into functioning classrooms, faculty administrative centers or temporary infirmary stations with proper social distancing walls in place.

EverPanel is easy to assemble and requires no tools.

SCHOOL GYMNASIUM CONVERSION & ADMINISTRATIVE OFFICE DIVIDERS

EVERPANEL WALLS CAN BE DISMANTLED, MOVED, RE-BUILT & RECONFIGURED AS YOUR NEEDS CHANGE.

SANITARY & SIMPLE TO CLEAN

All EverPanel modular wall panels are safe for children and simple to clean and sanitize.

EverPanel is available in 18 useful panel sizes, and comes in 4 color options; White, Light Blue, Grey, Orange. Clear polycarbonate sheets are also available to create clear-topper dividers on any wall.

EverPanel is made of Moisture and Impact Resistant Fiberglass Reinforced Panels (FRP), bonded to a fire retardant ABS skeleton, incorporating additives for smoke reduction, fire retardancy and additional durability. Each panel includes integrated cable channels for running electrical or cords.

Add our accordion doors or swing door options for privacy. Build hundreds of linear feet of stable wall panels in just a few hours.
