### FIRE RATING:

UL94HB (Underwriters laboratory Yellow Card Number): signifying that EverBlock material embodies a slow burn rate of 2" per minute for a 2" wide by 0.5" in thickness test sample. Furthermore, UL94HB signifies that the material will not flare up when exposed to an open flame.

**Hot wire ignition rating: 3**

### MATERIAL:

Hi-Impact Polypropylene Co-Polymer ("no-break") with UV Inhibitors added for outdoor use. Recyclable.

### COLORS:

We offer a wide pallet of colors, enabling you to match design needs, corporate colors, event themes, or other color requirements. Mix and match colors as needed to build beautiful and dramatic creations.

*\*Metallic gold, metallic silver, and translucent blocks are also available. Custom colors available with minimum order quantities.*

### EASILY TRANSPORTABLE

Smaller shipments may be sent with small package parcel services such as UPS or FedEx.

For larger shipments, EverCurve modules stack neatly on pallets and can be shipped compactly via LTL (less than truckload), standard trucks, or overseas shipping containers.
